	Committee	Report in June 2015
		Board Call: June 8 at 11am EDT. PRESENT: Bethany Teachman, Mitch Prinstein, Sara Bufferd, David Smith, Andrea Niles, Rosanna Breaux, Steve Hollon, Stew Shankman. ABSENT: Ben Hankin, Doug Mennin
Association Needs	Membership (Chair: Ashley Hart. Members: Emily Durbin, Kristy Benoit Allen, Elizabeth Hayden, Evan Kleiman)	After sending the final round of renewal reminder emails to non-renewers, we reviewed the list of those who had still not renewed for 2015 and sent out another email specifically targeting long-time SSCP members (~8 years or more) in an attempt to hang onto them. Tom Olino has since removed non-renewers from SSCPnet. Given that our student membership numbers are somewhat low relative to numbers from this time last year, we will be targeting student members in our next round of membership/recruitment efforts.

CONSENT: Newsletter report - Sara Bufferd - I am currently identifying and starting to contact individuals who may want to submit pieces for the early career, student, and practitioner columns for the 2015-2016 year. Please send me any suggestions (SBufferd@csusm.edu). Notes: Bethany will follow up with respect to diversity email.
	Division 12 Representative (Dave Smith)	The Division 12 Board conference call will be June 22. 	Awards	Shoham Committee: Northing to Report.
	Convention Programming (Tom Olino)	APS was fantastic!
	Elections (Bethany Teachman)	The committee is established and will start generating ideas for potential candidates.
Both	Diversity (Chair: David Rosmarin, From Board: Ben Hankin)	As planned, we submitted our Student Diveristy Research Award guidelines to the board for consideration and we were delighted that the board approved the award! We are most grateful to the board for their support of our work and clear commitment to diversity science, and to diversifying the ranks of SSCP. In other news, David Rosmarin and Joye Anestis had a sub-committee meeting to discuss the creation of a brief position statement for SSCP (for consideration by the board to officially adopt) on the importance of the clinical science of diversity. An additional discussion surrounded adding inclusive language to all SSCP awards. A third discussion surrounded whether to make a recommendation to the board to revise Article 1, Point 2 of the SSCP by-laws to include a brief mention of diversity. Our committee will meet on Monday, June 8th and make recommendations to the board about these matters following our discussion. We look forward to working with the board on these important matters which would "officially" put diversity on the map of SSCP. In other news, Yesel Yoon and Sarah Tarbox worked with Evan Kleiman to revise the Diversity section of the SSCP website - there are still a few errors/issues/bugs to work out but we officially have a "Diversity" tab on the top (main) menu of the website which was a big step forward. We will discuss the remaining changes/edits tomorrow during our meeting as well.
	External Nominations (Ben Hankin)	no report
	Science in Practice (Chair: Jackie Persons, from Board: Bethany Teachman)	Joint D12+SSCP initiative to provide a research and outcome evaluation service to practitioners and people doing applied work in the field: We are currently talking with D12 about making this service open to all who request it, rather than restricting it to D12 members only.
	International D&I (Chair: Jim Maddux, Members: Stacy Frazier, Michael Southam-Gerow, Rinal Beidas, Marc Atkins, Bruce Chorpita, Stephen Saunders, Shannon Dorsey, Laura Murray, Bethany Teachman)	Notes: Mitch sent out letters to training program directors advising them of interests and goals for SSCP with an invitation to make common cause with respect to promoting evidenced based interventions. We will be meeting with one of the UK directors at APA and Steve will follow up with invitations to the others. Bethany will approach colleagues in Austrailia and Mitch will do the same in the Netherlands. Ben Hankin may have contacts in the Pacific rim. Mitch will be talking with people from the Arnold Foundation about potential avenues to pursue and possible funding.

Advocacy and Projects	Public Education and Media (Chair: Scott Lilienfeld, from Board: Steve Hollon, Doug Mennin)	Have been in touch with Steve Hollon and David Clark regarding ways of publiciizing the upcoming APA Practice Guidelines. Have written to Ben Carey of the NYT and awaiting a response. Also plan on drafting an op-ed (perhaps with Steve Hollon) on this issue in the coming two to three weeks. Hope to have more to report on this front quite soon.
	Education Resources and Advocacy (Chairs: Michael and Joye Anestis; Members: Lauren Alloy, Mitch Prinstein, Jed Siev, Dean McKay, Gerry Davison, Rosanna Breaux, Yevgeny Botanov)	We will offer a "Virtual Clinical Lunch" series online. Bethany, Steve, and Matt Nock have agreed to record 35 minute talks which will be posted online. DCTs and TDs across the field will be invited to show these talks (1/month) during their didactic clinical lunch times, and our speakers will respond to questions throughout the month via the SSCP listserv
	Student Services (Bethany Teachman, Sara Bufferd, Andrea Niles, and Rosanna Breaux)	CONSENT: "How Did I Get Here" video series - Sara Bufferd - I am working on identifying clinical scientists in less traditional (i.e., non-academic/clinical) settings who may want to participate in the series. If you have any suggestions for individuals that may make good participants for additional recordings, please let me know (SBufferd@csusm.edu). CONSENT: APS is arranging for a programmer to edit the APS/SSCP mentorship web site to make it more applicable to non-clinical psychological scientists. Consent: SSCP journal club has 10 interested students. We will be reviewing and discussing high impact review articles in clinical psychology. We will begin student sign up for articles starting the week of June 8. Consent: Contacted all students who attended the student social to provide membership information to non-members and to invite members to become more involved (i.e. listserv facilitator, campus rep, student rep, etc). Consent: We will be working with Evan over the summer to get the membership directory ready to go live to the public. If the board has any feedback based on its current searchable fields, please feel free to send it to us. The membership directory will eventually have additional field added to be completed during our next membership campaign as members renew.
