II. Reports

a. Secretary/Treasurer – Stew Shankman

**Report:**

-CONSENT: Past month financial activity

1. Expenses: SSCP dinner at APS (-\$360.19); \$1000 (4 x \$250 poster winners); -\$700 (7 x \$100 poster winners)
2. Income: none
3. Pending: -\$200 (corrected plaque); -\$100 (poster award winner)
4. Bank balance on 6/20/2014: \$26,295.73

b. Membership Issues – Dave Smith/Stewart Shankman

**Report:**

-DISCUSS:

1. We have invited Dave to join the Board call to discuss options for a membership drive and the steps required to switch to a new payment and membership system. This followed dissatisfaction with the current system and the Board's recent decision to offer 50% off full member dues for the first two years after a student receives their doctorate. Dave noted we need to determine how post docs will be classified.

The postdoc years will count within the first two years of membership transition after students receive their doctorate.

Discussed current membership drive efforts. Other possible ideas include the creation of a multiple-year membership option with a small discount.

2. From Stew: I started to look into what online options are out there for switching how we collect dues, manage our membership list, etc. There are lots of options with a wide range of costs and features. Is this something we still would like to do? If so, Bethany, Dave Smith and I discussed perhaps paying a grad student hourly to research this for us (call around and get quotes, etc.) and help with the transition if we find something we like.

The Board approved hiring a work-study or graduate student to assist Stew and Dave in making the transition to a new all-in-one web site/membership/payment system, with the goal of having the new system in place for the fall membership renewal drive.

- c. External Nominations Committee – Ben Hankin (committee members: Bonnie Spring, Sherryl Goodman, Sheri Johnson)

More data are needed regarding costs, time-commitment, and best options. The Board agreed to allow Stew to hire a student for up to \$300 to investigate options.

**Report:**

-CONSENT: We continue to seek all input and suggestions on other awards and committees for whom we can nominate excellent clinical scientists. Please forward any suggestions to the Chair.

- d. Students' Website/Listserv/Internship/Other Issues –Victoria Smith & Rosanna Breaux

**Report:**

1. Outstanding SSCP Student Awards

-CONSENT: We have incorporated Bethany's feedback on the award criteria and have made edits to the awards. An updated version of the award criteria is attached.

-CONSENT: We are working on creating a new page on the Student Website to introduce these awards. This page will be where the guidelines and cover letter are posted for applicants to access.

2. Student Journal Club

-CONSENT: We have 10 students participating in our journal club over the summer from June through August. The club started this week. Students have signed up to present articles by providing a brief summary and discussion questions. Discussion will take place over email and summaries of the article and discussion will be posted on our SSCP student website.

3. Student Listserv Events: Summer Internship Q&A and 10 Tips

-DISCUSS: We are planning on doing another Q&A related to internship in July and August. We would like to discuss with the Board, people who would be good to contact to participate in this Q&A.

The Board suggested names of internship directors who could participate in this initiative, and Mitch noted that it may be possible to partner with Section 10 of Div. 12, which is working on a similar effort.

-CONSENT: Andrea Niles, the listserv facilitator, shared a great post on 10 Tips to a Successful Academic Career from Dr. Kate Wolitzky-Taylor with the listserv this past week. We would like to have a couple more of these posts on different career paths (e.g., clinician in private practice, psychologist in an academic hospital) throughout the summer.

The Board suggested a few names and also noted a similar initiative by Division 12, Section 10.

- e. SCP (D12) Representative – Doug Mennin

**Report:**

-CONSENT: Lynn Peterson is going to be retiring from D12/SCP. Thus, we need to find a different payment/membership system, as discussed above.

- f. Newsletter Report – Sara Bufferd

**Report:**

-CONSENT: I am still in need of names for possible contributors for newsletters – please see email from 5/21/14 to request that board members please share names of possible early career individuals and/or students who may be able to provide submissions for issues of the newsletter in the upcoming year (I'd be glad to re-send the email). We already have enough submissions for the clinician column. Names can be shared with me and/or my request can be forwarded to possible contributors. Thanks in advance for your assistance!

- g. SSCP collaboration with APCS re Delaware Project – Michelle Craske

**Report:**

-CONSENT: Results of the surveys were presented at APS. We are now implementing the first set of matches – by obtaining information from a program with information to share and making it available to programs in need of such information. Student reps have formed a committee.

- h. SSCP/APS Job Mentorship Database & "How Did I Get Here" video interview series – Bethany Teachman/Sara Bufferd

**Report:**

-CONSENT:

1. The committee agreed to change the name to the Psychological Science Career Mentorship Match (i.e., replace Job with Career) to clarify that this is not a job search/classified site, but is an opportunity to seek career counseling.

2. The committee is enthusiastic about incorporating a "How Did I Get Here" video interview series into the site...Report from Sara: I'm making progress on planning the "How Did I Get Here" video interview series – thanks to those who suggested possible interviewees with me! The videos will be recorded in July and August, and posted soon thereafter on the SSCP/APS Career Mentorship Match site (with a link from the SSCP website as well). I have four people committed to the project (tenured professor, internship director, NIH employee, and clinician), and I've asked a science writer. I'd like to find at least one or two more to start off the project. Stew made the good suggestion to find someone in industry (e.g., pharmaceutical company) and I think it will be helpful to have a researcher from a psychiatry department. Please feel free to continue to send suggestions!

- i. Task Force to examine affiliation of SSCP with APA – Mitch Prinstein

**Report:**

-CONSENT: The Board's approval of the Task Force's recommendations was announced to the membership, and a survey was administered to solicit members' involvement in our initiatives. At last check, 48 people had completed the survey, noting their willingness to serve on different initiatives.

- j. Diversity initiatives – Ben Hankin/David Rosmarin

**Report:**

-CONSENT: The Diversity committee, with David Rosmarin as the chair, has begun monthly phone meetings and is discussing ways to improve diversity, specifically for: 1) enhancing diversity of SSCP membership, and 2) advancing integration of diversity within clinical-research practice. We have reached out to other associations and groups that are working on similar issues of diversity to solicit their experience to inform our work.

- k. Committee on Science in Practice –Jackie Persons

**Report:**

-CONSENT: The committee had its initial meeting on June 3. We started by brainstorming a long list of impediments to clinicians' use of science in their practice. We meet next on July 8 and our plan is to make a list of impediments to clinicians' contributing to the scientific literature and to identify other groups (APA, ABCT, etc.) who have initiatives in place to address these issues and to discuss whether we might want to join forces. We plan monthly meetings.

- l. Committee on International Dissemination and Implementation of Clinical Science – James Maddux

**Report:**

-CONSENT: The group has not yet met by phone, but has interacted over email. Jim plans to seek the committee's input on a follow-up survey for the participants of Bucharest workshops he has recently conducted. Also, he wants to plan an impact assessment for upcoming workshops for next summer in Porto, Portugal, and is thinking about doing a survey of clinical psychologists in Romania, Poland, and Lithuania about their knowledge of evidence-based practice, including what they think they need.

- m. Public Education and Media Relations Committee – Scott Lilienfeld/Mitch Prinstein

**Report:**

-CONSENT: Scott Lilienfeld has generously agreed to chair this new committee, and is currently working on inviting other members to join the committee. Mitch has agreed to be the Board liaison.

IV. New Business

- a. Advocate for stronger role for science in EBP definition and implementation – Bethany Teachman

-DISCUSS: Bethany emailed Nadine Kaslow (President of APA) & Steve Breckler (Director of BSA) re. advancing a motion to open a new review of the EBP policy. They indicated some potential interest in working on this issue and said they would get back to us later in the month after they had had a chance to meet.

-SCP (led by Dave Tolin) wants to partner with us on this work as well, and Bethany, Mitch, Stew, Ben, and Rosanna all expressed interest from the board.

-Is there a useful next step for our group in advance of talking further with APA?

Perhaps a next step will be to contact APA Science Directorate to see whether an implementation paper would be a possible collaborative project.

- b. APA CE Approval Committee – Bethany Teachman/Mitch Prinstein

-CONSENT: We have solicited input from the membership about guidelines to recommend the APA CE cmt/BEA consider as they form new criteria to determine approval of CE sponsors. In addition, we have identified 3 nominees for the APA CE cmt, and solicited support from other APA divisions and BSA to support their nomination.

- c. SSCP Response to CoA Proposed Changes – Mitch Prinstein/Bethany Teachman

-CONSENT: Mitch and Bethany proposed some new text to revise the Evidence Based Intervention and Assessment definitions. The Board approved the suggested edits, and we then forwarded the proposed revisions to other groups (CUDCP, Academy). The proposed edits were then submitted thru the COA portal, and Mitch sent instructions to the SSCP membership to encourage individual public comments endorsing these suggested changes.

- d. SSCP election nominations committee – Michelle Craske

-CONSENT: Announcements went out for four new positions: President Elect; Representative to the Board; Member at Large; Student Member. Nominations due August 31<sup>st</sup>.

- e. SSCP web site management

-DISCUSS: After many years of wonderful service, Frank Farach is stepping down as our web master, so we need to find a replacement. Suggestions for good candidates? This may also be a good time to update some elements of the web site (e.g., the Mission statement isn't ideal).

Together with Frank, we will write a blurb describing the position that we can circulate to possible candidates. We can also send to listserv to see whether folks may be interested. There may be companies that can integrate the website and membership info and dues payments all in one.

f. Update to SSCP internship directory - Victoria Smith/Rosanna Breaux/Mitch Prinstein/Bethany Teachman

-DISCUSS: The SSCP internship directory was last updated in 2009. Victoria, Rosanna, Mitch, and Bethany discussed both the considerable value of the directory and importance of keeping it up-to-date, while also recognizing the significant investment of time required for an update. A key question is how widely the directory is currently used; i.e., is it worth the major time investment to do a full update, or should we consider more modest updates (e.g., just contacting select sites, or just trying to offer names of specific sites that offer high quality, evidence based training)? Please take a look at the directory (<https://sites.google.com/site/sscpwebsite/internship-directory>) in advance of the meeting so we can discuss options for next steps.

This could be a nice resource. It may be possible to get data on only a few variables, or by sending to listservs rather than individual directors. Also, it may be possible to add a field indicating when the info was last updated. An action plan will be developed for moving forward.
